**Q1. Does the instructor provide regular announcements and updates on Blackboard?**

1	about 1-2 times/week	Nov 7, 2012 10:22 AM
2	She provides excellent announcements and they are often.	Oct 30, 2012 7:17 PM
3	I receive necessary announcements and updates on Blackboard and in my email. They are hard to miss and greatly appreciated.	Oct 30, 2012 11:04 AM

**Q2. Are appropriate and current multimedia technology and communication tools used in the class? (audio, video, discussions, blogs, games, testing, homework managers, webcasts, etc.)**

1	MML, discussion board.	Nov 7, 2012 10:22 AM
2	The discussions are very useful in the class and our instructor provides excellent feedback and topics.	Oct 30, 2012 7:17 PM
3	MyMathLab is a great tool for learning the math.	Oct 30, 2012 11:04 AM

**Q3. What advice would you give to a student taking this class and/or instructor next semester?**

1	Work the problems in the textbook and use pre & post sample tests in MML. The material gets tougher as we go.	Nov 7, 2012 10:22 AM
2	Spend the time completing the study tests and examples, they really help.	Nov 5, 2012 7:48 PM
3	Just study, do the assignments and you will do well in the class, as well as learn valuable tools to use in your life.	Nov 2, 2012 4:50 PM
4	Not as easy as u think	Nov 2, 2012 4:40 PM
5	I took too long to organize my own plan of how to study, so I didn't do well in the beginning. Make sure you know what is expected and when from the beginning	Nov 2, 2012 2:58 PM
6	Students, you MUST go online EVERY day to ensure you are not missing any additional instruction.	Nov 2, 2012 2:32 PM
7	Give yourself plenty of time to do the homework prior to the discussion post due date.	Oct 31, 2012 3:16 PM
8	Make sure you read the book and stay on top of your work. If you do this, there's no way you wouldn't pass.	Oct 30, 2012 7:17 PM
9	Do as many problems as you can for practice to become familiar with the formulas. The tests are challenging!	Oct 30, 2012 5:11 PM
10	Keep up on the homework and use the Study Plan on MyMathLab.	Oct 30, 2012 11:04 AM

**Q4. What did you like best about this class?**

1	Good textbooks and good brush-up on financing and business analysis.	Nov 7, 2012 10:22 AM
2	The online format. The homework lab is extremely easy and helpful to work with.	Nov 5, 2012 7:48 PM
3	I liked the fact that the instructor was very nice and professional and that I learned so many useful tools that I can use in my life and future.	Nov 2, 2012 4:50 PM
4	The content of the class	Nov 2, 2012 4:40 PM
5	I thought the subject was very interesting - I loved learning about business applications of math!	Nov 2, 2012 2:58 PM
6	I liked the flow and predictability of the assignments. Class was very consistent throughout.	Nov 2, 2012 2:32 PM
7	?? - Not my favorite subject so I can't really say what I like.	Oct 31, 2012 3:16 PM
8	It was very reasonable. The workload wasn't too hard but it does require that you put forth effort.	Oct 30, 2012 7:17 PM
9	How useful the calculations are for everyday decisions	Oct 30, 2012 5:11 PM
10	The relevant math we learn that will help us make better financial decisions.	Oct 30, 2012 11:04 AM

**Q5. What could be improved with this class?**

1	I'd like to see the instructor create blogs, Power Point presentations of her/his own on chapters. Maybe a quick illustration on how certain problems should be done? I understand this is an online class, where students have t study material on their own, but I think more instructor presence will be beneficial.	Nov 7, 2012 10:22 AM
2	Cant accurately answer since the class is only halfway through.	Nov 5, 2012 7:48 PM
3	Well, I didn't really care for the group project. It was hard to get a hold of the other students. Assignment is due soon and I still haven't had any luck.	Nov 2, 2012 4:50 PM
4	The homework section... I'd like to go back and reference but can't once its complete.	Nov 2, 2012 4:40 PM
5	I have had a difficult time with the concept of the discussion board requirements for this class. The beauty of math is that you either get it right or wrong - no discussion needed!	Nov 2, 2012 2:58 PM
6	Can't think of anything.	Nov 2, 2012 2:32 PM
7	Nothing that I can think of, but this is my first online business class	Oct 31, 2012 3:16 PM
8	I would prefer to have individual projects instead of group projects,	Oct 30, 2012 7:17 PM
9	nothing	Oct 30, 2012 5:11 PM
