Find Your Academic & Career Pathway

Academic & Career Pathways (ACPs) are collections of majors with related courses that fit within a career area. ACPs help guide you toward fulfilling careers through academic programs, integrated experiences, and support services. You can narrow down your choice of major and begin developing an educational plan that leads to a degree, certificate of completion, or transfer. You will also join a community of

like-minded individuals working toward
similar academic and career goals.

THE PLACEMENT PROCESS

The MiraCosta College placement process provides you with the information needed to get started in the math and English courses that best support your educational pathway.

Complete the placement process in a variety of ways:

MiraCosta Application

- The MiraCosta CCCApply application may ask you to provide the following:
 - High school GPA
 - Highest high school math/English course completed
 - High school math/English coursework and grades
- To help with this step, have your high school transcript information accessible while applying. Students who provide this information will receive an email with their math and English placement information within a few days. This placement notification is also available in the Message Center located in your SURF Student Center.

Didn't provide information on the MiraCosta application? To complete the placement process, submit any of the following to Testing Services:

- Official or unofficial high school transcript
- Multiple Measures Self-Report Update Form. The form is available at miracosta.edu/testing.

Forms and/or high school transcripts may be emailed to **testing@miracosta.edu**.

If you would like information and/or access to math, English, and ESL courses outside of your placement, you may visit the Testing Services webpage at **miracosta.edu/testing** to learn about our Guided Self-Placement process.

For information on alternatives to assessment (including AP scores, EAP, and prior college coursework), visit our webpage at **miracosta.edu/testing** or email **testing@miracosta.edu**.

The placement process is the first step in matriculation. It starts you on the right path and keeps you going to arrive at your educational destination. Matriculation has four parts: placement, orientation, advisement, and education planning.

Students can challenge or appeal any step in the matriculation process by emailing studentsuccess@miracosta.edu.

Know Your Rights Under AB 705

Signed into law, Assembly Bill (AB) 705 requires California Community Colleges to maximize the probability that students will enter and complete transfer-level coursework in English and math within a one-year time frame. AB 705 requires that colleges use one or more of the following measures for placement into math and English courses:

- High school Grade Point Average (GPA)
- High school coursework
- High school grades

For more information on your rights under AB 705, visit **miracosta.edu/** testing.

COMPLETE ORIENTATION

MiraCosta College offers two ways to complete orientation, Spartan Prep and Spartan Start:

Complete Spartan Prep by logging in to your SURF account at surf.miracosta.edu.

Spartan Prep is a guide for students to complete online orientation and advisement and develop a first semester education plan. Students will be introduced to college terminology, academic programs, and student support services, along with planning tools that will help students succeed at MiraCosta College.

Register for your Spartan Start session at miracosta.edu/spartanstart.

Attending Spartan Start will help students get familiar with the campuses, learn about social and academic resources, and connect with professors, staff, and students for a great start at MiraCosta College.

Contact the Orientation and Student Support office (formerly known as Student Success and Support Program or SSSP) at **orientation@miracosta.edu** with any questions.

DEVELOP AN EDUCATION PLAN

An education plan is an important tool to help students attain their goals without wasted time and effort. The plan outlines a suggested pathway for students based on their major, transfer goals, or other objectives.

Education plans allow students to determine how long it will take to complete a program of study and to be sure that all program requirements can be met within a particular period of time. Students can develop options for education plans on *myEdPlan* in *SURF*. However, to maintain priority registration, students must:

- Meet with a counselor.
- Complete a comprehensive education plan prior to completion of 15 units or a third semester (whichever comes first).

FINANCIAL AID

Need money for college? Financial aid can help. Don't miss out on making college even more affordable!

♦ Three Ways to Get Financial Aid Information

- 1. Visit our webpage: miracosta.edu/financialaid.
- 2. Join us on chat: miracosta.edu/FinAidChat.
- 3. Call us at 760.795.6711 or email MCCFinAid@miracosta.edu.

♦ Three Reasons to Apply for Financial Aid

- 1. Federal Financial Aid programs available
 - Grants like Federal Pell & FSEOG: free money that does not need to be repaid.
 - Federal Work Study: part-time student employment program.
 - Federal Direct Loans: federal education loans that typically have a low interest rate and require repayment after finishing school.
- 2. State Financial Aid programs available
 - California College Promise Grant (CCPG): formerly known as Board of Governors (BOG) Fee Waiver, which waives tuition costs.
 - Cal Grants: free grant money for academically and financially eligible students that file a FAFSA/CADAA prior to the March 2 priority filing date.
 - Student Success Completion Grant: free grant money for Cal Grant students enrolling in at least 12 units; increased amounts for students enrolled in 15 units or more.
- 3. Local Financial Aid programs available
 - MiraCosta College Promise program: free grant money that covers tuition and mandatory fees for two years for all first-time, full-time students.
 - Scholarships: free money available for students, including undocumented and international students.

Undocumented Students

If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act Application (CADAA) at **dream.csac.ca.gov** to determine eligibility for state and local programs.

Important

- Aid eligibility is based on enrolled units as of the full semester add/drop date. Recalculations are not made after that point. This date applies to all courses including late-start courses. Waitlisted classes do not count toward enrollment.
- Students who withdraw after the add/drop date may be required to repay a portion of their financial aid funds.

Five Steps to Receiving Financial Aid

Apply

Complete the FAFSA at fafsa.gov or the California Dream Act Application (CADAA) at dream.csac.ca.gov. MiraCosta College School Code is 001239.

² Check Email

You will receive an email 3-5 business days after applying with further instructions and estimated award amounts.

³ To-Do List

Additional documents will be requested via the **SURF** Tasks List. Check your Tasks List often.

4 Review

Once your Tasks List is complete, your file will be reviewed to confirm eligibility. Reviews can take between 2-4 weeks to complete.

⁵ Payment

Financial Aid partners with BankMobile to deliver financial aid. You can set up direct deposit to your existing bank account or a BankMobile Vibe account through **SURF**.

MiraCosta College Fall 2021 Credit Courses 760.757.2121 miracosta.edu

REGISTER FOR CLASSES

After MiraCosta College processes your application (typically within two business days), you will receive an email with information about **SURF**, our online registration system accessible at **surf.miracosta.edu**. You must log in and set up a password. Then you'll use **SURF** to register for your classes.

Registration Groups

Find the registration group (A, B, C, D, E, or F) to which you belong on pages 11–12 and then reference the chart on page 13 to find your exact registration date.

Group A: Special populations

Students in this group include:

- Active duty military.[†]
- EOPS, CalWORKs, and Student Accessibility Services (SAS), formerly known as DSPS.[‡]
- Homeless or foster youth.[‡]
- Veterans receiving VA benefits or who have been discharged from the military within the last four years.[§]

To receive and maintain priority registration, new and continuing Group A students must do the following:

- Complete placement process, orientation, and advisement;
- Veterans and active duty military must complete a comprehensive education plan within their first semester at MiraCosta College. Others in Group A must complete an education plan within two semesters;

Maintain good academic standing with at least a 2.0 GPA and complete at least 50 percent of enrolled units (excludes homeless and foster youth); and

Not exceed 90 degree-applicable units. (Students in the bachelor of science in biomanufacturing degree program, homeless, foster youth, and SAS are exempt from the 90 unit limitation.)

[†]Must show proof of military ID and request priority registration through the Admissions & Records Office. [‡]Priority within these groups is not automatic and students must be verified by the EOPS or SAS offices. Homeless students may contact Financial Aid for verification. [§]Proof of discharge date, California residence, and previous college enrollments may be required. Veterans who have been discharged within the last 15 years and have not taken advantage of priority registration for more than four years may request priority registration through the Admissions & Records Office.

MiraCosta College Fall 2021 Credit Courses

Fees at a Glance / Fall 2021

Registration Fee:

\$46/unit for California residents.* High school students exempt.

Health Services Fee: \$19/semester

Student Center Fee: \$1/unit up to \$10/year

Student Representation Fee: \$2/semester

Optional Fees

Student ID Card: \$6

Parking Permit:

Fall 2021 parking fee WAIVED. Student lot parking permits will not be required for fall 2021. College Police will NOT be enforcing parking in student lots only. College Police will continue to enforce staff lots and disabled spaces.

For a detailed explanation of required and optional fees, visit **miracosta.edu/fees**.

*Persons determined to be nonresidents of California pay an additional per-unit fee of \$290. Some exemptions to residency requirements exist. FEES SUBJECT TO CHANGE.

Group B: All other matriculated continuing, new, and returning students

To receive and maintain priority registration, new and continuing Group B students must do the following:

- Complete placement process, orientation, and advisement;
- Complete an education plan prior to completion of 15 units or a third semester, whichever comes first;
- Maintain good academic standing with at least a 2.0 GPA and complete at least 50 percent of enrolled units (excludes homeless, foster youth); and
- Not exceed 90 degree-applicable units. (Students in the bachelor of science in biomanufacturing degree program, homeless, foster youth, and SAS are exempt from the 90 unit limitation.)

Group C: Continuing, new, and returning students who have not matriculated (including those in Group A and Group B) and students who have previously earned a bachelor's degree

Group D: Probationary students

Any student who has been on probation for at least two consecutive semesters, including students on academic probation (GPA-based) or progress probation (based on the percentage of courses completed with an evaluative grade).

Group E: Students over 90 units

Students who have completed more than 90 degree-applicable units with a grade of A-F, P, or NP. Courses considered basic skills will not be counted toward the completion of units in this category (although they will count toward accumulation of units in Groups B and C).

Group F: Concurrently registered high school students

Concurrently registered high school students are restricted from enrolling early and may only enroll approximately two weeks prior to the start of the term.

Students with disabilities are entitled to appropriate accommodations. Contact Student Accessibility Services (formerly known as Disabled Students Programs & Services) at 760.795.6658 or go to miracosta.edu/sas for more information.

Registration Appointment Times

All students must check SURF at surf.miracosta.edu to find their registration time.

The number of units you have completed at MiraCosta College determines your registration priority. For Groups B and C, this includes all courses completed, including basic skills and ESL classes. Students who have completed 90.5 units or more in degree applicable courses will be assigned to Group E.

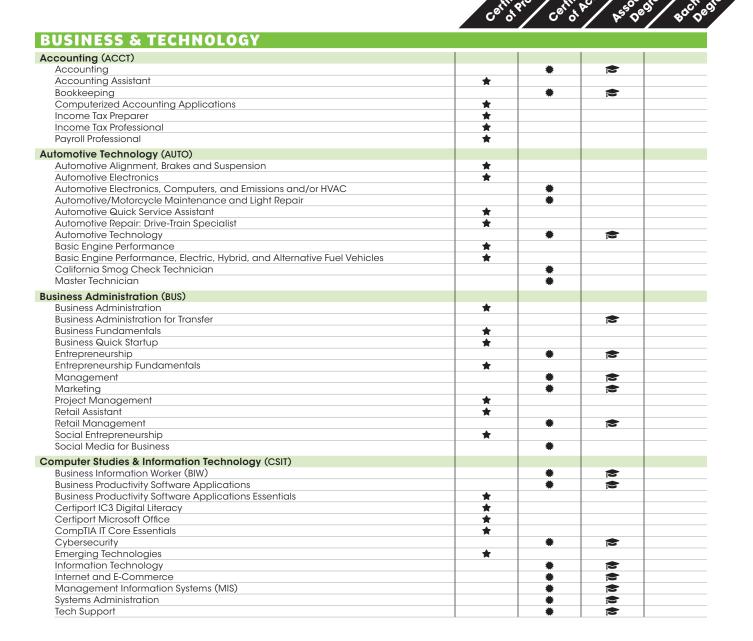

Appointments are assigned randomly within each group and start at 8 a.m. You may register on your appointment date and time or any time after throughout the registration period.

GENERAL EDUCATION

Students at MiraCosta College can choose to follow one of three general education patterns:

Plan A is for students not intending to transfer but who want to earn an associate degree. Plan A will satisfy general education requirements at MiraCosta College but will not satisfy all general education requirements for transfer to a CSU or UC campus and is not intended for students transferring to a four-year institution. For more information, see page 19 for the Plan A advisement sheet or visit **catalog.miracosta.edu/degreecertificatetransferinfo** for MiraCosta College Catalog Associate Degrees & Certificates.

Plan B is for students transferring to a California State University (CSU) campus. For more information, see page 20 for the Plan B advisement sheet, which contains general education requirements, or visit **catalog.miracosta.edu/degreecertificatetransferinfo** for MiraCosta College Catalog Associate Degrees & Certificates.

Plan C is for students transferring to either a University of California (UC) or a CSU campus. For more information, see page 21 for the Plan C advisement sheet or visit **catalog.miracosta.edu/degreecertificatetransferinfo** for MiraCosta College Catalog Associate Degrees & Certificates.

MiraCosta College counselors can assist you in developing

an education plan that meets your unique goals! Visit **miracosta.edu/** counseling for information on how to schedule an appointment.

IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2021 and are valid through Summer 2022.**

Certification of this general education pattern is not a CSU admission requirement, except when students are completing an Associate Degree for Transfer to a California State University. Students are strongly advised to work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work

Credit will not be awarded for both the honors and non-honors version of a course.

Courses listed in two different areas may be used in either area but not both.

() Course approved beginning semester and year indicated. Course taught on campus prior to CSU GE approval.

*Constant with CSU admission policies, MiraCosta College will certify courses in Area A or B4 that have been completed with a minimum grade of "C-" or better.

tEffective for students beginning **at MiraCosta or a CSU campus in Fall 2021 and beyond**. Students with continuous enrollment (attendance in at least one semester per calendar year at a CSU or CCC or a combination of the two) prior to Fall 2021 may choose to complete the Plan B pattern without Area F and with the 9 unit Area D requirement.

IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are** approved effective Fall 2021 and are valid through Summer 2022.

IGETC is not a UC admission requirement but is advantageous to most transfer students. Students are strongly advised to work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work specific to the intended UC campus. Certification of IGETC, including Area 1C, Oral Communication, is an admission requirement for the California State University system, when students are completing an Associate Degree for Transfer and using IGETC to fulfill the general education component of this degree.

All courses on IGETC must be completed with a "C" or better. A "P" (pass) is acceptable, but UC permits no more than 14 semester transferable units to be completed on a pass/no pass basis.

UC credit may be limited for some courses. For example, no credit is given for an introductory course if it is taken after a more advanced college course. Credit may also be limited for courses with overlapping content. In addition, duplicate credit will not be awarded for the honors and non-honors versions of a course. UC credit limitations are noted on the catalog course descriptions.

Courses listed in two different areas may be used in either area but not both

() Course approved beginning semester and year indicated. Course taught on campus prior to IGETC approval.

*Grades of "C-" are not acceptable except for high school language courses.

CREDIT COURSE OFFERINGS / FALL 2021

Daytime, evening, anytime.

MiraCosta College gives the flexibility you need to achieve your educational goals!

Want to take classes that have **FREE** low-cost **textbooks**?

ZTC classes typically use no-cost digital textbooks, online resources, and homework systems. ZTC classes may have optional print texts that are not free. ZTC classes may also have other required materials, such as lab supplies, calculator, test forms, etc., which are not free. LTC classes use course materials that cost ^{\$}40 or less.

The college strives to ensure that the ZTC and LTC designations are accurate; however, under some circumstances, faculty may have to adjust selection of instructional materials and this can affect course material costs. It may also be necessary to change instructors. Replacement faculty have academic freedom to choose instructional materials regardless of costs and are not obligated to use free course materials selected by an instructor previously assigned to the class.

Mathematics Learning Sequence

Most students are recommended to start at transfer level. To determine the appropriate placement/eligibility for a particular major or transfer institution, please consult a counselor or email transfercenter@miracosta.edu.*

Looking to brush up on your skills and review math and science concepts at your own pace?

SPARK focuses on igniting learning and reviewing foundational concepts to increase success in math and science courses. Any student can take advantage of the free **SPARK** program through Canvas with our STEM and Math Learning Center staff available for support. **We are here for you!**

Often requirements are different between transfer schools and majors; *all* students should meet with their counselor about which courses are best for their specific educational journey. Visit a counselor at miracosta.edu/ counseling.

For all courses listed, visit the Math Learning Center at miracosta.edu/mlc for support, tutoring, and the chance to meet other students who have similar course and career goals.
