According to me, He is perfect. He always go threw all problems. He has alot of information about this field. He Always read the Accounting News in Class. I really like that part in my class. I recomend this class to Every one. This class is very helpful to learn Basic Terms.

I like this instructor each and every manner and i would love to take future @ classes for this instructor. But i want to suggest to college that in Accounting "computer Accounting- 148" or "quick books" ~~to~~ at least they should start one campus class.
