Homework Rubric

<http://blackboard.miracosta.edu>

Unless otherwise instructed, homework assignments will be graded using the following rubric.

Points	Guidelines
4	thorough, detailed, correct response using only our course materials as presented; maybe one minor science content error
3	major ideas present, but somewhat abbreviated or incomplete explanation/description; more than half the science content correct
2	thoughtful response, but major errors in the science content OR correct scientific content but only halfway complete
1	very incomplete or abbreviated explanation/description; major errors in science content OR unreadable or incoherent
0	no meaningful attempt worthy of grading OR did not follow the specific or special instructions given
